

Old Solent House Lymington, Hampshire

Absolute was privileged to be invited to undertake the renovation of two dormer windows and further works at Old Solent House – a detached Grade II listed property close to Lymington harbour.

Working on listed properties and fulfilling the planning and building control requirements presents its own challenges and we are very pleased the project was completed so successfully.

The scope of works included:

- Reconstruct two dormer windows consisting of timber structure, clay tiled roofs and slate sides
- Install casement windows
- Paint rear of house to match existing
- Redecorate interior of attic rooms

All works complied with listed building control.

Absolute would be happy to ask our customer to provide a reference for the works undertaken.
